NUMBER 25.

OUTLINE PLAN FOR BASEBALL ORGANIZATION

Local Men Are Back of Move To Organize Six or Eight Clubs in Texas and Oklahoma Towns Under Sunday School Auspices for Play.

An amateur baseball league representing six or eight towns in Texas and Oklahoma in this immediate section and sponsored by a Sunday school in each town will be organized for play during the coming summer, according to plans formulated by a group of Vernon men. The matter has been taken up with others in Frederick, Davidson and Altus, Okla., and has been approved.

The present plan is to have teams representing Electra, Vernon, Chillicothe and Quannah in Texas, and a similar number of towns in Oklahoma. Eligibility of players will be determined by a rule which will require attendance in some Sunday school in the town on whose team he is to play for an average of three-fourths of the Sundays. Thus, while some one Sunday school in each town will sponsor the baseball club, men who attend any Sunday school in that city will be eligible to play on the team.

The plan has not been worked out in detail, but it is understood that the Vernon team will be sponsored by the Baptist Sunday school, while in Frederick and Altus indications are that the teams will be sponsored by the Methodist schools, or if desired all the schools of one town may sponsor a team with an organization representing all Sunday schools. Conferences were held Sunday by local men with committees in Altus, Frederick and Davidson. It is planned to lay the project before committees in Electra, Chillicothe and Quannah this week. If the project meets with favorable response a meeting of committees representing all towns will be held to work out the details of the organization, elect a governing board and appoint a schedule committee. Each team will play two games a week, one at home and one away from home, according to present plans. No Sunday games will be played and no player who plays Sunday baseball will be allowed to participate in any games.

The men who are back of the project here are certain that the proposed league is feasible and believe that it can be worked into an organization that will promote clean athletics.

Summerour To Erect Building on Main Street

J. D. Summerour has awarded a contract to O. A. Swinburn for the erection of a one-story brick building on North Main Street, immediately north of the present Summerour buildings at the corner of Main and Builders streets.

The structure is to be 30 by 60 feet and will cost approximately \$4,000. It is to be used by Summerour & Son for handling their cotton seed business. The firm has offices at the present time in the Dixon building, but additional room has become necessary. Mr. Summerour states. Work on the new building will start at once.

COMMISSIONERS TO BE CHOSEN NEXT TUESDAY

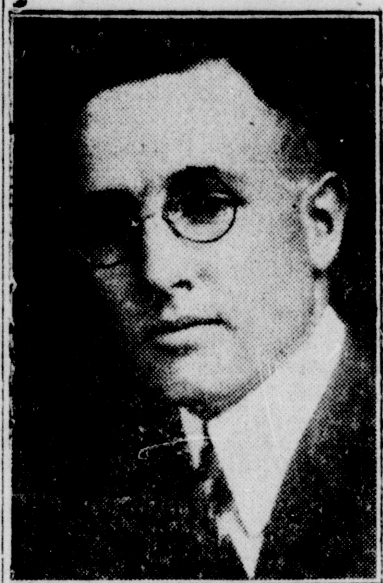

Next Tuesday will be election day in Vernon and two members of the City Commission will be chosen by the voters. Two places on the commission are to be filled and only candidates have filed for places on the official ballot.

E. M. Rogers, Commissioner from East Vernon, is seeking re-election, and B. Daniels is a candidate to succeed W. W. Bennett, who announced that he would not seek re-election.

SEVEN MEN WIN BASKETBALL LETTERS

Vernon High school basketball basketball awards were made at the high school this morning. Seven men played in enough games to win letters. Men who won awards are: Harold Bowman (c), Ransom Walker, Hugh Bourland, Winfred Cronch, Benton Ryan, Charles Thomas, Russell Key.

SINGER WHO WILL ASSIST IN METHODIST REVIVAL

R. J. Kenedy
Mr. Kenedy's home is in Dallas and he is regarded as one of the best revival song leaders in the State. In addition to directing the music, he will have charge of services for young people during the meeting which begins next Sunday at the First Methodist Church.

NEW OFFICERS IN FEDERATION

MRS. W. H. HUGGINS PRESIDENT, ASKS COOPERATION --- PLANS MADE.

The newly elected officers of the County Federation took their seats for a two-year term, Saturday afternoon at the county library auditorium.

Mrs. W. H. Huggins, first president of the organization and newly elected as its head, said that the work of the administration would be carried out in a business-like manner as only in that way could the federation be a success. Mrs. Huggins stressed the fact that the success of the woman's organization depended entirely on the team work of the individuals. To strike out all enmity between clubs and that the first line of the club collect "O God keep us from pettiness," should be the slogan of every club member.

She stressed the need of each club making arrangements now for Community Week, which will be held the second week in June at Allingham Park. As an added incentive for the club to co-operate after the note is paid against Allingham park, Community Week, each club will share equally in the funds. Heretofore the funds has all been applied to the park debt.

It is the aim of the federation to pay off the indebtedness of a little over \$700 at this time.

Mrs. Huggins took the place of Mrs. Eugene Keltz, who on account of illness, has ceased club activities for a while.

The following officers were installed: Mrs. W. H. Huggins, president; Mrs. C. M. Blair, first vice president; Mrs. Mont King, second vice president; Mrs. Dee Norwood, recording secretary; Mrs. Y. H. Babasin, corresponding secretary; Mrs. Ed S. Smith, treasurer; Mrs. Bertha A. Ross, parliamentarian.

Band Concert Friday.
An open air band concert will be given here by the Vernon Concert band Friday night at the band stand on the court house square. The members of the band are asking that everybody come out and hear the program.

Navy Planes in Daring Formation

Five airplanes of the First U. S. Naval Air Squadron are shown in daring battle formation over Coronado Beach, Cal., preparing to co-operate with the battle fleet in the maneuvers off the Hawaiian Islands. Taking the tactics of the birds of the air, the airmen fly in V-shape formation, almost wing to wing. The slightest miscalculation would mean death.

40 LOCAL MEN GO TO ELLIOTT

BUSINESS MEN AND FARMERS HOLD INFORMAL GET-TOGETHER

While the Elliott band played, "It Ain't A-goin' Rain No More," and other numbers of the latest music, the business men of Vernon and the farmers of the Elliott community held an informal get-together last Friday night at the Elliott school house. A large crowd was present and eighty plates were served, not counting those served to members of the band. About forty business men went from Vernon.

At the banquet table, each business man was required at the penalty of a five dollar fine to have a farmer sitting next to him. Later in the evening, with the desire to become better acquainted, R. M. Fielder, toastmaster, called the name of each business man in the hall, asking that the business man introduce the farmer next to him.

Chief speakers of the evening were: A. P. Mason and W. C. Crim, Elliott farmers, and E. H. Gipson, Vernon lawyer. The audience was also entertained by a reading by little Jen. S. Terhune and by a quartet composed of F. E. Murchison, Mike Lynch, T. P. Lisman, E. E. Eggleston.

Parnell To Seek Full Senate Term in Next Election

Senator J. D. Parnell will seek re-election to the upper house of the Legislature in next year's elections, according to word received here by friends within the past few days. The new senatorial districting law became effective last year and all members of the Senate were chosen at that time and then at the opening of the session the members drew for the two- and four-year terms. In this drawing Senator Parnell drew a short term. The regular term of State Senators is four years with half of the membership being chosen in each biennial election.

Sensor Parnell announces that he will visit all points in his district during the next few months to discuss with the voters his record in the Senate. He will probably be in Vernon next month.

JUDGE DISMISSES JURY FOR REMAINDER OF WEEK

At the opening of the second week of district court here Monday morning, Judge Robert Cole dismissed the jury for the entire week, making two weeks without a jury. No important cases remain on the docket for trial this week.

Two cases were brought before Judge Cole Monday. A divorce was granted in the case of Frank H. Britton vs. Eula Britton. The South Vernon Oil case which has attracted attention here was continued to the next term of court.

ALL READY FOR FIRST MONDAY

MERCHANTS CO-OPERATING IN SPECIAL SALE—EXPECT LARGE CROWDS.

Everything is in readiness for staging the big First Monday co-operative sales by Vernon merchants next Monday. Committees selected by the merchants to allot specials for each concern and to work out other details of the event have completed their work and those back of the movement announce that every indication points to the biggest day of merchandising in the history of the city.

Copies of the Vernon Record containing the special advertising will be sent to every household in the trade territory and it is expected that one of the largest crowds ever seen in Vernon will be here for that day.

The people are advised to read carefully every advertisement in next Friday's issue of the Record, as some unusually attractive bargains will be offered by the merchants participating in the co-operative sales effort.

Play at Fargo Delights Crowd of 400 Friday

Good lights, good music and good eats, mingled with the laughable situations afforded by a three-act presentation of "A Poor Married Man," furnished entertainment for the people of Fargo and the surrounding communities on last Friday evening.

Cooperation, good acting and a splendid display of musical talent were the chief features of the evening's program given under the auspices of The Fargo Community club. The building and auditorium were well lighted by the Deke people of Vernon. The musical program was arranged and rendered by Mr. K. T. Goetze and his pupils of Odell. This was the first appearance of Mr. Goetze and his orchestra in this community but from the first selection they won the appreciative applause of the entire audience. Each member of this splendid group of entertainers showed unmistakable marks of fine musical training as well as talent.

The Fargo Boy Scouts were on the ground early and furnished the refreshments at a minimum cost with the proceeds going to the local troop organized here.

About 400 people were in attendance and at the drop of the final curtain the verdict was that the play was a pronounced success. Proceeds amounting to \$65 will be used to secure lights for the school.

Dr. Slover Here.

Dr. Geo. S. Slover, president of Clarendon College and publisher of the Texas Christian Advocate, official organ of the Methodist church in Texas and New Mexico, was here yesterday on business. He spoke at the fifth Sunday meeting held at Tolbert Sunday afternoon by the Methodists of Tolbert circuit.

BOY KILLED AS HE PLAYS WITH PISTOL

Jimmie Carlisle Accidentally Shoots Self as Family Nears Home—Boy Companion Only Witness—Buried in East View Cemetery.

Jimmie Carlisle, son of L. W. Carlisle, of the Lockett community, accidentally shot and killed himself late Sunday afternoon while playing with a .45 caliber revolver at the family home twelve miles southwest of Vernon on the Schmoker farm. When the accident occurred, Mr. Carlisle and other members of the family were about 200 yards from the house, returning from Baker school, where they had been to attending a singing.

According to the statement of Otto Scholm, 14, the only eye witness, the boys had been alone all afternoon, and had just returned from the barn where they had been playing, when they entered the house and found the gun on the bed. Young Carlisle had picked up the gun and started to play with it when Otto saw the family returning. He told Jimmie, and when the latter turned to look, the weapon was accidentally discharged. The bullet entered near the left ear and lodged just under the skin on the right side of the head.

When Jimmie fell, Otto rushed out to summon help. They hurried to the house, but the boy was dead when they arrived. T. J. Griffiths, justice of the peace, was called, and he pronounced the death due to an accidental discharge of the revolver in the hands of the deceased.

Funeral services were held at the family home Monday afternoon with Rev. Frank McNair of the First Baptist Church at Lockett and Elder W. Don Hockaday, pastor of the Vernon Church of Christ, officiating. Interment was made in East View Cemetery.

Classmates at Baker school and at the First Baptist church Sunday school at Lockett were among those who sent floral offerings.

Medical Society Elects Delegate For State Meet

At a meeting of the local society of the Medical Association last Thursday night, this branch of the society was reorganized, officers were elected, and Dr. Howard Regier, with Dr. B. D. Flaniken as alternate, was chosen as a delegate to the association's state convention to be held at Austin on May 5-8.

With the reorganization, the local society expects to become active, according to Dr. A. C. Rogers, secretary. In addition to sending delegates to the state convention, the local organization will take part in the district meet of the association to be held in Wichita Falls on April 7, 8. The society will meet regularly each month on the third Thursday, and will discuss professional problems that have arisen in the profession.

The new officers are: Dr. J. E. Dodson, president; J. C. King, vice president; A. C. Rogers, secretary-treasurer.

1555 PEOPLE ATTEND SUNDAY SCHOOLS HERE

According to the reports of the various superintendents, Sunday school attendance was much larger last Sunday than it has been recently. Collections were correspondingly large. WINNIPEG GETS GOOD WELL IN DEEP SAND WHILE RAY-MASSIE AND MUTUAL COMPLETE OTHERS

Bridwell-Heydrick Set Casing in No. 5 Dill and No. 7 Stephens To Test Out Sand at 2293 Feet—Winnipeg Showing Heavy Gas Pressure.

Three deep wells have been completed on the Winnipeg and Ray-Massie leases on section 100, inside the original pool, and the Mutual Oil Company's No. 2 Zipperle in east side of the shallow pool for a well estimated at from 50 to 100 barrels were the developments in the South field over the week-end. The sand was picked up at 1332 feet and the bottom of the hole is 1348 feet.

Winnipeg No. 6 Bond et al is making from 360 to 370 barrels and has a gas pressure estimated by operators as being the biggest ever encountered in the field. No gauge of the gas flow has been taken, but experienced operators have variously estimated it at from 10 to 20 million cubic feet per day. The sand was topped at 2262 feet and was drilled 23 feet, leading to the belief that it will prove one of the best producing sands in the field.

Ray-Massie No. 7 Bond et al is a well at 2332 feet. It is making from 150 to 200 barrels per day with a heavy gas pressure. The hole has not been thoroughly cleaned and it is considered likely that the oil flow will be greatly increased. Ray-Massie No. 8 is a good well in the 2000-foot sand.

Bridwell-Heydrick will probably complete two wells on the deep sand this week. They are setting casing on No. 5 Dill and No. 7 Stephens, each at a depth of 2293, and will drill in during the next few days.

McAney-Sheerin-Lucey expect to complete their No. 10 and 12 Stephens in the 1300-foot horizon this week.

Drilling operations continue active. The South Vernon Company spudded No. 2 Zipperle in the southeast corner of the southwest quarter of the southeast quarter of section 84 to test both the 1300 and 1700 foot sands, unless a well is made in the former, South Vernon No. 20 Stephens is a derrick.

Mutual Oil Company's No. 3 Zipperle is testing a navelick sand encountered at around 1500 feet. The same concern is rigging up on two locations along the west line of the lease.

Gary Petroleum Company is drilling at 1950 on No. 1 Castlebury. The Travis Oil Company's No. 1 Zipperle is drilling at 850 feet.

Dallas Artists To Appear in Recital Friday

Miss Freeman, violinist, and Miss Ina Pearl Curry, soprano, of Dallas, will be presented in recital Friday night at the Methodist church by the choir.

Miss Freeman has recently arrived in Dallas from the East where she played as a concert violinist in New York City and in Europe. She has played in recital several times at the Palace Theater in Dallas and has a large class there. Her musical education was obtained abroad.

Miss Curry needs no introduction to Vernon audiences, as she has sung here several times and formerly was choral director of the Musicians' club. Like Miss Freeman, she has been educated under the best of masters and her singing is a delight.

Miss Enid McCarroll, Vernon woman, will be accompanist and has studied piano in Denver and New York City. The artists expressed a wish that she be their accompanist.

A free will offering will be made. All people who appreciate good music are invited.

Marriage Licenses.

The following couples were granted marriage licenses last week: George Jurak and Sherrie Vasek; G. L. Howell and Miss Mabel Murphy; Clarence Miller and Jessie Crain; D. H. Cox and Donnie Anderson; Press Mitchell and Miss Leah Lynch.

Fargo Club To Meet.

The Fargo Home Demonstration club will meet at the home of Mrs. P. M. Sweetmon, April 3. All the club members are requested to be present and receive their yearbooks. Also to get the program and demonstration, and to hear the report of the play.

DIES SUDDENLY HERE SATURDAY

MRS. O. C. SAUNDERS PASSES AWAY AFTER FEW HOURS ILLNESS.

Mrs. O. M. Saunders, 33, of Deaf Smith street, died Saturday afternoon at 2:20 o'clock after only a few hours illness, of uremic poison. Mrs. Saunders was suddenly stricken while making calls with Mrs. C. D. Greene, Friday afternoon. She lapsed into unconsciousness that night and remained in that condition until the end came.

Funeral services were held at 10:30 o'clock Sunday morning at the Underwood Funeral Home by Rev. L. P. Kopp, pastor of the Central Christian church, of which she was a member.

The body, accompanied by the husband and little son, was taken to Woodland, Tenn., for burial. Mr. Saunders and family came here from Wichita Falls the first of the year. They were prominently identified with church work and both Mr. and Mrs. Saunders were members of the choir of the Central Christian church.

Mrs. Saunders is survived by her husband and son, Jack, her parents, Mr. and Mrs. Kennedy of Woodland, Tenn., and a sister, Mrs. Joe Crouch of Wichita Falls. Mrs. Crouch was present for the funeral. Mrs. Saunders of Amarillo, Mayor R. E. and Mrs. Shepherd, Mr. Henderson and Misses Jones and Kevel of Wichita Falls were other out of town people present.

A special quartet, Mr. Scott, Mr. Lisenbee, Mrs. Rogers and R. E. Shepherd sang at the funeral.

The pall bearers were: C. D. Greene, B. Daniels, W. Hale Davis, W. Hy Rogers, L. D. Terrell and J. H. Pendleton.

Local Athletes Finish Second in Electra Trials

In the five-city trial meet held at Electra last Saturday, the Vernon High track squad took second place with 51 points, while Electra won the meet with 55. The local lads took five first places, winning the high honors in the relay, pole vault, broad jump, and high and low hurdles. Harold won third place with 22 points, due largely to the work of Bill Lynch. Wichita Falls and Archer City, contrary to expectations, were only minor contenders.

The loss to Electra was a distinct surprise owing to the fact that Electra failed to win any honors in the Southwestern meet held at Fort Worth recently in connection with the Fat Stock Show, in which Vernon won third place among a number of contenders. Coach Baggett's men were handicapped by the loss of Clint Castlebury, who because of difficulties arising at the last minute, was unable to take part in the meet, reducing the local squad to eleven men.

Coach Baggett intends to hold an invitation meet with Quannah, Wichita, and other schools Saturday while the county elimination contests are in progress. Vernon will not take part in the county contest, since there are no other class "A" schools in the county.

THREE STOLEN AUTOMOBILES ARE LOCATED DURING WEEK

Three stolen automobiles were located during the week-end by the sheriff's department, and are now being returned to the owners. Captain Clyde Watts, and A. C. Beger are returning from Sierra Blanca with the latter's car and three men who are accused with the theft.

Deputy Boyd McClellan has just returned from Altus, Okla., where he and Ralph Cato went to get Mr. Cato's car. Harry Lebrank was returned here from Lawton and charged with the theft.

Another stolen car has just been located in Quannah.

Mrs. Huggins' Class To Meet.

Mrs. W. H. Huggins' Sunday school class of the Methodist church will meet Friday afternoon at 3 o'clock with Mrs. J. L. Showers of 2317 Cumberland street. Members are asked to bring thimble and needle.

"The Prairie Wife" Here For 2 Days At Pictorium

Life on the American prairie viewed from an entirely different angle is the promise held forth by "The Prairie Wife," Hugo Ballin's production for Metro-Goldwyn-May, which comes to the Pictorium Theater Wednesday and Thursday.

Many pictures have shown the discovery of the West, the crossing of the plains, the struggles to clear it of savages, but Ballin shows the struggles, no less noble but not so spectacular, in developing the land and reclaiming it from the wilderness, in his picture, "The Prairie Wife."

With a great deal of drama, and a vein of comedy knit through it, Ballin has filmed Arthur Stringer's novel of a cultured eastern girl who marries a young engineer and goes to live with him in his prairie home.

Dorothy Devore, noted screen comedienne, plays the title role, with Herbert Rawlinson playing opposite. The supporting cast includes Gibson, Gorman, Leslie Stuart, Frances Price, Erich von Ritzau, Alphonse Martell, Boris Karloff, and many others.

Robert G. Vignola, who directed the new Metro-Goldwyn picture, "Married Flirts," which has its last

showing today at the Pictorium, says the eternal triangle is quickly passing away and that he believes the quadrangle is now in for a pictorial run.

"The triangle idea has been done so often," says Vignola, "that one can usually close his eyes and feel instinctively what is taking place on the screen. Unless a picture, as well as a book or play, is full of unusual surprises it loses its real value."

The four characters about which the entire story of "Married Flirts" pivots are Pauline Frederick in the title role; Conrad Nagel, portraying Percy Rex; Huntly Gordon cast as Ben Wayne; and Mae Busch as Edith Wetherell.

Friday only, Bert Lytell and Anita Stewart are here in "The Boomerang."

"Sundown" Now Showing For last Time Here

Today is the last showing of a wonderful picture, "Sundown," the passing of the old West at the Vernon Theater. A play that ranks with "The Covered Wagon" and "North of 36."

Alarmed by the encroachment of the home steads, the old guard of cattlemen start the long trail for Texas hands in Mexico. They regret that it is necessary to leave the United States but stern necessity causes them to give up their ranches here for which they paid in blood and toll. As they pass over the Southern border, the men turn for a last look at the American flag as the bugle notes die away and the flag comes fluttering down. Bessie Love is the girl in the story, that makes the trail with the men and Roy Stewart is the cowboy lover.

Tomorrow Jack Holt and Norma Shearer, appear in "Empty Hands." The comedy is "Love Mania."

NOTICE TO THE PUBLIC
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Record, will be gladly corrected when called to the attention of the editor.**OUR WATER SITUATION.**

The City Engineer calls attention to the water situation and the necessity for taking steps to conserve the present supply while efforts are being made to increase the supply through opening up new sources before the beginning of hot weather.

It seems that there are still some patrons of the water system enjoying flat rates. Notice is served that meters will be installed. A warning is also sent out that patrons who have leaky fixtures and decline to repair the leaks will be cut off from service.

The practice of flat rates, The Record is informed, was started when the water system was first installed in Vernon and it was the idea of the city officials at that time that every encouragement should be given to induce the people to connect with the water system. That was perhaps a wise policy but the condition which prompted it has long since passed. Instead of seeking consumers for the water supply the City is now confronted with the problem of providing a sufficient amount of water to supply those already connected with the system.

By all means all flat rates should be withdrawn and every patron of the system put on a meter basis. It is as absurd to sell water without metering it as it would be for a grocer to sell sugar without weighing it. Water costs money and patrons should pay for it at a reasonable rate. Of course this phase of the water situation while important is by no means the whole of it. There is still necessity for developing a reserve supply after every possible economy is made in the distribution and sale of water. Vernon is growing at a tremendously rapid rate. We can't continue to grow without providing for water supply adequate for every need of the city. Nothing is to be gained now by discussing what should have been done in former years. Let us do now whatever is necessary for getting an adequate water supply.

HOME OWNERSHIP.

Vernon is building at a rapid rate. In every section of the city new homes are being erected. Notwithstanding this, however, there is still an acute shortage of houses. The entrance of a large building and loan association into Vernon with a long record of successful operations behind it and with ample capital available for immediate loans will go a long way toward relieving the housing situation. Few people have adequate money for building homes and paying all cash. Credit is absolutely necessary, and this credit must be available in a way that is within reach of people of moderate means. Excessive interest rates are always deterrent to progress. Building and loan association credits are extended on a basis that should enable any thrifty family to own a home.

Nothing is so conducive to good citizenship as home ownership. The home owner has a vital interest in a community that a tenant cannot possibly have. Some one has fittingly expressed the idea of the difference between home ownership and tenantry when it was said that any man will fight for his home, but who ever heard of a man fighting for a boarding or rooming house?

When people invest their savings in homes in Vernon we need have no worry about whether they will make good citizens. They are less likely to move from Vernon when

conditions seem better elsewhere. One of the best things that can be done at the present time to stabilize the present growth of Vernon and make permanent the population attracted here by the development of the oil fields and for other reasons is to encourage home ownership and to encourage every institution and every enterprise which looks toward making it easier for people to own their homes.

GREAT DEMAND NOW FOR NEW MODEL BUICK

It is a generally known fact that Buick leadership in the automobile industry dates from the inception of the car itself. It is difficult, even, for men who have been in the automobile business from its beginning, to recall a time when Buick was not well known, and held in high favor by the motoring public, says T. T. Strong, general sales manager of the Buick Motor Company.

In view of the tremendous popularity that has established this leadership so firmly it is no more than natural that at times the tremendous demand for cars is greater than even Buick's immense factories can meet.

In the past there has been year after year when the Spring and Summer months found such a demand for cars that it was impossible for dealers to cope with it. Constantly expanded manufacturing facilities could not satisfy the cry for more, and many motorists who had not placed orders with their dealers at an early date were disappointed in not being able to get the particular model they wanted, at the time they wanted it.

This demand for cars on the part of the public is the thing that determines both the quantity of Buicks that shall be built and the body styles that shall predominate. This being so, those motorists who contemplate buying later would be well advised to give serious thought and consideration to the matter of placing their order to assure themselves of obtaining the particular model that they desire to own. If they place their orders now it will make it possible for the dealer to communicate with the Buick factory and when this is done on a countrywide scale it will give the factory an opportunity to regulate production in an effort to supply the particular models when they are wanted.

Of course Buick does everything possible to anticipate the demand and it must be remembered that this is hard to do when cars are wanted in all parts of the country at the same time and this extra demand develops over night so the owner who is forehanded in placing his order is far more likely to get the particular model he wants, when he wants it, than the motorist who takes no action until a short time before he wants his new car.

The fact that hundreds of motorists have already learned the advantage of this course of action makes it all the more advisable for anyone to do likewise.

Miss Griffiths and L. S. Dennis Marry Thursday

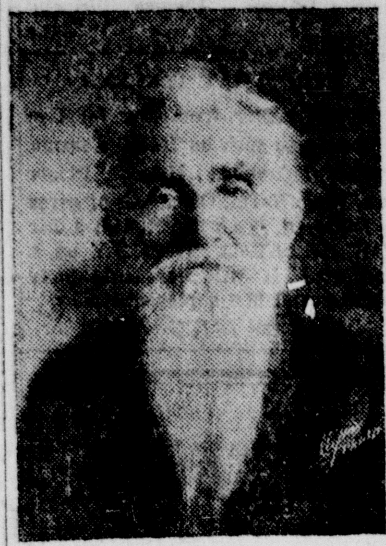

Miss Mary Helen Griffiths and Leonard Scott Dennis, both of Vernon were married Thursday night at 8 o'clock at the Methodist parsonage, Rev. C. A. Bickley, pastor of the First Methodist church officiating. The beautiful ring ceremony was used. The couple was accompanied by the bride's mother, Mrs. Dena Griffiths, and her uncle and aunt, Mr. and Mrs. E. L. McCarter. The bride is the only daughter of Mrs. Dena Griffiths, of 2031 Mesquite street and is a grand daughter of Mr. and Mrs. T. J. Youngblood,

pioneer family of Vernon. She was reared here and was a student in the local high school, and is a very popular young woman of this city. Mr. Dennis is a son of Mr. and Mrs. G. M. Dennis of Ardmore, Okla., and is in the oil business in the South Vernon field. Mr. Dennis has been here but a few months but has made many friends since he came to live in Vernon.

Mr. and Mrs. Dennis left Saturday morning for a trip to Artesia, New Mexico and other points in that state, where they will visit friends and relatives. On their return they will make their home in Vernon.

They will be at home after April 15 in Vernon. Mr. and Mrs. Charles Rengon of Wichita Falls spent Sunday in Vernon with her parents, Mr. and Mrs. E. M. Leutwyler.

CHAPLAIN CAMP CABELL CONFEDERATE VETERANS

W. C. Landy, member of Camp Cabell, United Confederate Veterans, is hale and hearty at the age of eighty. He was born May 1, 1845 in Decatur county, Georgia, and married in the same county January 11, 1866, just after the close of the war, to Miss Fanny White. To the couple was born nine children, four of whom are living. They are: W. S. Landy and Will Landy of Vernon, Mrs. J. S. Archer of Tolbert and Mrs. Lizzie O'Rear of Plainview. Mr. Landy makes his home with

his children since the death of his wife, which occurred, August 20, 1921.

The family moved from Georgia to Waco, December 1872 and thirty years later came to this county to make their home. They lived two years at Odell and as long as the aged veteran was able, he farmed.

Mr. Landy enlisted in Decatur county, Georgia, with Milton's Light Artillery and saw service all during the war on the Florida coast. He is chaplain of Camp Cabell. It is his delight to attend the reunions of those, who wore the gray, and there re-live the days of the war between the States.

He is one of the best beloved of the old guard, whose ranks are rapidly diminishing. He is known as "Grandpa Landy" to all his friends and says this is his best loved title.

"Grandpa" Landy has been a member of the Baptist church since 1874 and is a pillar in the church. He lives his religion day by day and radiates cheer to all his associates. His smile is an inspiration to all with whom he comes in contact and the world is better for him having lived in it.

He is looking forward to attending the Remembrance of Confederates in Dallas and to seeing his sister, who will visit him in May.

TWO BASEBALL GAMES ON SLATE THIS WEEK

The local High school nine have two stiff games on their schedule for this week-end. Coach Wilmon's men will meet Crowell here at Fair Park Thursday afternoon, and will journey to Wichita Falls Friday for a game with the Wichita High school nine.

Vernon has defeated Crowell by a 14 to 3 count once this year, and a victory is expected Thursday. The game with Wichita Falls will probably be one of the stiffest that Coach Wilmon's boys will meet this year. Wichita High has a strong aggregation this season, and the local lads will be a little stiff from the time the afternoon before, and from the trip to Wichita. Baseball followers are willing to be content with a close score, admitting that Wichita may win.

300 YAMPARIKAS TO BE PRINTED BY HIGH SCHOOL

More than 300 High school year books will be printed this year, according to Editor-in-Chief Robert Sherrill. Work on the Yamparika is progressing nicely now, with practically all of the engravings in the hands of the engravers, and the others almost ready. The class section, organization section, and activities section are completed, leaving only the sport section and advertising section to be completed.

These sections will be completed soon, Sherrill states. In order to close the advertising section and get it to the engravers soon, no further soliciting will be done, other than that that has been started already. The sport section will not be completed until pictures can be made of the track, field and baseball teams.

Good Books For Children Now at County Library

The public library is endeavoring to acquaint school children with literature suited to their years. We feel that childhood is poor which has not for friends many of the goodly company represented by Hector, Achilles, Roland, Sigurd, My Old Don Quixote, Lancelot, Robin Hood, Percy, the Douglas, Gulliver, Puck, Rip Van Winkle and Alice in Wonderland, says Miss Lillian Newton, librarian.

babyhood up on myths of Olympus and myths of Asgard, Hans Christian Anderson, old ballads, the Pilgrim's Progress, the Arabian Nights, the Alhambra, and minds which are still strangers to fairy land and here and all the dreamlands of the world's inheritance.

We believe that familiarity in childhood with the classic tone will arm our children against the cheap, the flimsy, the corrupt in fiction. Below we give a list of books that may be found upon our shelves that aim to stimulate imagination, broaden sympathy and awaken a love for literature:

"Stories of Mother Goose Villages," by Madge Bingham.
"Egyptian Photoplays," by Effie Sechrist.
"Story Land in Play," by Ada M. Skinner.

J. A. PUCKETT BUYS INTEREST OF SON IN STORE

J. A. Puckett has purchased the interest of his son, J. Puckett, in the grocery business of Puckett Bros., and will hereafter be active in the business with his other son, Chancey Puckett. The firm name will be changed to J. A. Puckett & Son, it is announced today following the completion of the deal.

Guy Puckett has not announced his plans for the future. The elder Mr. Puckett is well known as a grocery merchant in Vernon, having been in the business for many years before retiring and disposing of his business several years ago to his two sons, Guy and Chancey.

REVIVAL AT CHRISTIAN CHURCH CLOSING SUNDAY

The revival at the Central Christian Church closed with the evening service Sunday, after having been in progress for a week. The preaching was done by Rev. R. A. White of Childress, who returned to his home last night. The interest was good throughout the week and several additions to the church membership were reported.

This meeting closed the pastorate of Rev. L. P. Kopp, who has resigned to become associated with Randolph College at Cisco.

TO HOLD EXAMINATION FOR COLLEGE ENTRANCE

College entrance examinations in all accredited subjects will be given, May 1, 5, 6 and 7 at all accredited schools and other places, according to L. A. Hollar, county superintendent. The purpose is to provide a way by which high school credits can be obtained for entrance to accredited high schools and to college and universities.

A fee of one dollar per student will be charged to defray expenses. Examinations will be given in all high school subjects. Students will take the examination for the minimum number of units given on any subject. For example, a student, who desires English or algebra credit must wait until two years' work has been completed. English, algebra, Latin, Spanish, French and German, each have a minimum of two units, all other subject one unit or one and one-half unit each.

The county superintendent will announce the places where these examinations are to be given, later.

It is reported from Chicago that the defense of William D. Shepherd, charged with causing the death of his millionaire ward, William Nelson McClintock, by inoculating him with typhoid germs, will be held at Chicago at that time was suffering from an epidemic of typhoid caused by oysters. King George, of Great Britain, recovering from a near-fatal illness, has left England for Genoa, to board his yacht for a convalescence cruise. Mrs. Ada Moracchini, whose husband, French vice-consul in New York, sued for divorce, naming Leon Rothier, noted grand opera singer, as co-respondent, has been vindicated by a jury. Former German Chancellor Marx has declined the Prussian Chancellorship because he could not command a majority of the Diet.

THE STATE OF TEXAS

To the Sheriff or any Constable of Wilbarger County—Greeting: You are hereby commanded to summon C. R. Gatewood, B. M. Bullard, James Calvert, Rob Adams, Sam F. Allison, J. H. Mitchell, William Heard, Ideal Oil & Gas Company, C. L. Morgan, and Paymasters Syndicate, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Wilbarger County, to be holden at the Court House thereof, in Vernon, Texas, on the 3rd Monday in August, A. D. 1925, the same being the 17th day of August, A. D. 1925, then and there to answer a petition filed in said court on the 23rd day of March, A. D. 1925, in a suit, numbered on the docket of said Court as No. 3842, wherein J. C. King is Plaintiff, and C. R. Gatewood, B. M. Bullard, James Calvert, Rob Adams, Sam F. Allison, J. H. Mitchell, William Heard, Ideal Oil & Gas Company, a corporation, C. L. Morgan, and Paymasters Syndicate, are Defendants, and said petition alleging that said defendants have wrongfully and maliciously wronged the plaintiff in trespass to title and for damages, and plaintiff further alleges that G. P. Vaughn, the grantor and assignor of plaintiff executed various oil and gas leases to the defendants on portions of the south half of section number forty-four (No. 44) in block number thirteen (No. 13) of the Wilbarger County, Texas, now owned by plaintiff and that said oil and gas leases provided for rentals in certain periods of time and their failure to do either of these things worked a forfeiture of said leases which provided that they should become null and void in the event of such failure; that the defendants and each and all of them failed to pay any rentals on any of said leases and failed to drill a well on any portion of said land and that by reason thereof said leases have become null and void and the assignments thereof were placed on record in the Deed Records of Wilbarger County, Texas, and cast a cloud upon plaintiff's title to said land.

Plaintiff prays for citation and judgment for the title and possession of said land and premises, and that said oil and gas leases and said rentals and writ of attachment be cancelled, annulled and for judgment for damages and cost of suit and general relief.

Herein fail not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Vernon, Texas, this 23rd day of March, A. D. 1925.

MRS. J. A. WALKER, Clerk, District Court, Wilbarger County.

Visitors Lose When Pitcher
Gives Down—Locals Score
Four Points in One Inning
When Scott Slugs Three-
Bagger.

Rallying in the fourth inning after they had been hopelessly outclassed in the first three periods, the local High school nine drubbed the Wichita Junior organization Friday at Fair Park by a score of 7 to 3. James Scott won the game for Vernon when he slashed out a three-bagger with all bases full. Coach Wilmon's club gathered seven hits as compared to two gleaned by the college, and only five of the local lads struck out while nine of the visitors were unsuccessful in three swings. Three of the local club's hits came in the fourth inning, and these added to three walks given by Temmons of the visitors in the same period accounted for four of Vernon's scores.

Vernon's rally came early in the fourth inning when Walker, the first man up, singled, followed by Key with another single. Temmons then lost control and walked Gelhausen and Bowman, sending Walker home for Vernon's first counter. Then with all bases full, James Scott smashed out the only three base hit of the game, scoring Key, Gelhausen, and Bowman. On an attempt to make home, Scott was thrown out.

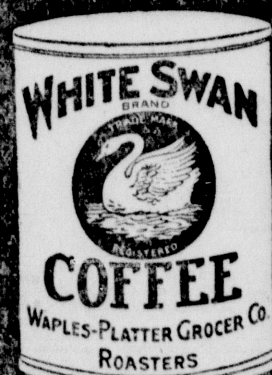

At this point, Coach Mosley of the visitors removed Temmons and placed Crites in the box, and for the next three innings the two teams battled on an even footing, with neither club getting any hits or runs. Williams of Vernon started a rally early in the eighth with a single. Walker followed with a low fly to right field, and Williams was thrown out at second. When Thurman dropped Key's liner a little later, Walker took second, and crossed the plate when Temmons failed to handle Bowman's long fly to right field. Bowman stole second, made third on a wild throw, and went home when James Scott put another one in the outfield. This ended the scoring.

METHODIST WOMEN ARE

GUESTS OF MRS. YOUNG

A most delightful occasion was the church party given by Circle No. 1 of the Methodist church, at the home of Mrs. J. H. E. Young of Paradise street, Friday afternoon. An interesting program was given. Mrs. O. T. Gilmore of New York City gave two solos, with Miss Thelma Sherrill as accompanist; Mrs. Y. H. Babasin gave a piano number and Mrs. Leon H. Brown gave two readings.

At the close of the program the guests were invited to take part in a guessing game and Mrs. G. W. Lisenbee proved to be the most apt at guessing.

A delicious salad course was served to seventy guests. Those in the house party were: Mesdames T. M. Ferguson, J. N. Johnson, H. S. Starr, J. D. Summerour, J. B. Morris, H. K. Groever, J. J. McLaughy, R. S. McConihe, Frank Byrd and the hostess, Mrs. Young.

Red Bottom Tanks

Warranted for 5 years—and the warranty is stamped in the side of each tank with a steel die. You can't lose it. It can't wear off. 30 years of tank making experience is built into Red Bottom Tanks. Tons of thousands are made and sold yearly at the lowest possible manufacturing cost. They cost you less. They last longer. Two styles—the round and the long with round ends. Made of select galvanized steel. Reinforced at top with patent Tube Top, at bottom with Double Lock Seam. Sides made doubly strong by 2 triple corrugations. Solder is sweated into all seams. Entire bottom and lower edge coated, inside and outside, with rust-preventing paint made in our own laboratories. Applied by special heat process.

Look for the 5-year warranty stamped in the steel. Not genuine unless so stamped.
